

## **BIO: Dr Gareth Williams FEng**

### **Head of Plant Quality, Broughton/Filton, AIRBUS UK**

Gareth Williams has had an extensive career in advanced aerospace manufacturing, including key contributions to the industrial and technology developments at the wing manufacturing plant in Broughton, North Wales, UK. He has undertaken roles in research, product development, manufacturing engineering and programme management. Gareth is a Chartered Engineer, a Fellow of the Royal Academy of Engineering and a Fellow of the Royal Aeronautical Society. He serves on the CBI Manufacturing Council and has served on the Governing Board of SAE International, Pittsburgh, USA (2016-2018), the Advisory Council for Aviation Research and Innovation in Europe, the Aerospace Technology Institute in the UK, and the Clean Sky Joint Technology Undertaking in Brussels. He is a member of the industrial advisory boards of several universities.
