

Michael Gavin – AIRBUS

Head of Supply Chain Management / Aerostructures Procurement Operations

Bio: Michael joined Airbus at their Wing Manufacturing facility in Broughton, North Wales. Initially as an Operations Manager in the area manufacturing the Outer Wing Skin Panel Assemblies and then on to oversee the Airbus Long Bed Machining and Treatments Facilities.

For the last 8 years Michael has led the Airbus Quality and Supply Chain Team responsible for the manufacture of “Detail Parts” on time and in full into the Airbus Plants and Final Assembly Lines
