DSV – Global Transport and Logistics

At DSV, we keep supply chains flowing in a world of change. We provide and manage supply chain solutions for thousands of companies every day – from the small family-run business to the large global corporation. Our reach is global, yet our presence is local and close to our customers. More than 75,000 employees in over 80 countries work passionately to deliver great customer experiences and high-quality services. We aspire to lead the way towards a more sustainable future for our industry and are committed to trading on nature's terms.

DSV is a dynamic organisation that fosters inclusivity and diversity. We conduct our business with integrity, respecting different cultures and the dignity and rights of individuals.

Visit [dsv.com](http://dsv.com) and follow us on LinkedIn, Facebook and Twitter.
